

The Grateful Loan.org

Ending predatory lending one loan at a time.

The Grateful Loan.org is a social enterprise established to put a stop to predatory lending in a unique way: provide a fairer alternative. Our first loan product, the *Plaintiff's Pre-settlement Loan*, is designed to make loans to personal injury plaintiffs at interest rates that approximate credit card rates.

If you are involved in a personal injury lawsuit and need cash now, we can help. If you are a plaintiff's attorney or case manager with a client who brought-in a loan application with punitive interest rates and ridiculous charges, we can help.

Our credit approval process is fast and we can provide you with a check, often in less than 24 hours, without extra fees.

The application is free and there are no upfront costs with our loans.
